RETAIL *PRICE LIST*

FALL 1924

SPRING 1925

ATTENTION

In buying nursery stock don't figure how cheaply it can be bought. "Price" is just what you originally pay but it is the everlasting mis-fits, replacements and replanting that determine true cost. Stock like ours, built on higher standards may cost more originally but once bought and properly cared for, you do not have to worry about the future of it. We suggest that you investigate before you purchase.

TERMS OF SALE

Please read page number 3 of our catalog. It is very important.

Prices—These published prices are net and not subject to further discount or reduction. Special prices are only made on large quantities of stock.

Terms—Cash as explained in catalog, unless previously arranged.

Complaints—Must be made at once on receipt of goods.

Substitution—We take liberty of substituting unless otherwise ordered.

Genuineness—We believe all stock sent out by us will be true to name as labeled, but cannot and do not assume any responsibility beyond original purchase price.

H. F. Hillenmeyer & Sons

BLUE GRASS NURSERIES

Lexington, Kentucky

Evergreens

The prices below cover only well grown trees. Height is no indication of quality as evergreens may be slender plants with practically no side branches. Our plants are very full sized and will be immediately effective. Please note pictures in the catalog that give an idea of the quality and size of the stock we offer. Our prices cover digging with a ball of soil and proper protection of the roots by burlapping. Might we further suggest that we have not only a wide variety but also a large quantity of plants from which we select only the better specimens.

Deciduous Shrubs

We are listing these to size this year. Some patrons want larger shrubs at advanced prices. Then too, many want smaller stock. The mark x, xx, xxx designates the three grades of their respective varieties. Also 5 plants go at 10 rates and any assortment you wish to make may be ordered on this basis, it not being necessary to take 5 of one kind. If you order 50 or more shrubs you may deduct 10% from 10 rate. For example—If you order 50 shrubs at 10 rates totaling \$25.00, less \$2.50 (being 10%) equals \$22.50. This rate is applicable to any and all sizes and assortments. Don't buy on price alone. The stock below is transplanted and well branched, heavy plants.

Shade Trees

We grow exceptionally fine shade trees. We have had visiting nursery-men and landscape men repeatedly tell us how fine our stock is. Particularly is this true of our Pin Oaks, no better blocks are to be seen anywhere in America. In purchasing our Shade Trees we believe we are giving you more value than any other thing in the nursery. Follow planting instructions and you will succeed. Here again height does not mean anything, but its the thickness of the trunk that counts, and we dig only heavy bodied trees.

Perennials

We have a very complete assortment of perennials. They are all large plants or clumps and should not be confused with the little plants sometimes sent out by others at high prices. We can take care of your wants in fine shape, but suggest early ordering before assortment becomes broken. Please note the prices below:

25 cents each. 3 for 60 cents. \$2.00 per dozen. \$16.50 per 100.

These prices cover:

Anchusa	Fox Glove	Hibiscus	Sedum
Aquelegia	Gaillardia	Hardy Grasses	Shasta Daisy
Beards Tongue	Geum	Phlox	Perennial Pea
Canterbury Bell	Gypsophyla	Pinks	Sweet William
Carnations	Helianthus	Platycodon	Tritoma
Chrysanthemums	Hollyhocks	Poppies	Yucca
Cone Flower	Iris	Pyrethum	
Delphinums	Hemerocallis	Rudebeckia	

Exceptions to this price for Perennials:

BLEEDING HEART	50c each	\$4.50 per dozen
FUNKIA	50c each	\$4.50 per dozen

Peonies

We have divided these into three divisions—and priced as follows:

Each 50 cents. 3 for \$1.50. \$4.50 per dozen. \$35.00 per 100

1st Division

Alexander Dumas	Edulis superba	Francois Ortegat
Coronne d'or	Faust	La Tulipe
Delachii	Felix Crousse	Mad. de Verneville
Duke of Wellington	Festiva Maxima
